

DeliverEd Pakistan Follow-up Dissemination Event Workshop on Delivery Approaches

Date: June 13, 2023

Time: 04:00pm-06:00pm PKT

Format: Online Zoom Event (*Link to be shared via email*)

Objectives

1. To disseminate and discuss the findings of the Punjab (Pakistan) retrospective studies (Qualitative and Quantitative) on some aspects of the delivery approach conducted from 2012-2018.
2. To share the highlights of the DeliverEd final report, key lessons learned from the DeliverEd research in Pakistan, and elsewhere, and propose policy considerations based on the research conducted.

The aim for the event is to:

- Communicate the research findings to a broader audience (select government officials, development practitioners and partners).
- Discuss emerging insights regarding specific practices and the extent to which they enable sustained improvements in service delivery.
- Discuss the intended and unintended effects of data driven monitoring and lessons for improving design of reforms/policies.
- Engage key stakeholders, identify continued opportunities for engagement, collaboration, dissemination and further work.
